

Housekeeping | Specialized Cleaning | Manpower Outsourcing | Garden Maintenance

Housekeeping

- Corporate
- Industrial
- Institutional
- Hospitals
- Malls & Multiplexes
- Residential Townships
- Government Organizations

Housekeeping is not just about cleanliness it is also about keeping your work areas neat & in order, in aesthetic manner. Skilled housekeepers and cleaning agents plays vital role in good & corrective Housekeeping.

Our job is not limited to cleaning and dusting of things like wall mounted clocks, pictures, and paintings etc. We also make sure they are placed in correct position and consider it a part of our housekeeping job.

Likewise, when it comes to sweeping, mopping & dusting of commercial or office spaces like conference halls, office chambers, etc. we ensure that after cleaning the area, walls, furniture, electronics, etc. every item is placed & arranged appropriately. If something about placement requires change, we suggest to our clients that we call Corrective Housekeeping within the same cost and leave it to the clients to take the final call w.r.t. re-positioning.

Specialized Cleaning

- Carpet Dry Shampooing
- Sofa Dry Shampooing
- House/Bungalow/Civil Project
- Floor Restoration
- Water Tank

This type of cleaning services are generally availed of by clients during festivals, special occasions like inauguration, arrival of special guests in commercial or private premise etc. This cleaning service ensures that every speck of dirt is removed from every nook & corner of the premises in the most professional manner in committed time-frame with help of very effective and modern cleaning machines.

Manual cleaning can never do the same standard of job that professional cleaning agencies can deliver. They not only offer perfect solution options for different kinds of cleanings required in the premises but also put their teams and machines on the job quickly to turn around the project within timeline required by you.

- ✓ Inspection of complete premise to detect soiled surfaces & hidden dirt.
- ✓ Opening of doors & windows to let dust get outside of premise.
- ✓ Cleaning execution starts from top to bottom side.
- ✓ Removal of cob webs.
- ✓ Cleaning & dusting of fans, ACs, tube lights other fixtures etc.
- ✓ Dusting of walls & vacuuming of windows channels.
- ✓ Cleaning of mirrors & wardrobes.
- ✓ Cleaning of furniture, electric appliances & modular kitchen.
- ✓ Cleaning & scrubbing of washrooms; doors, basin, pots, curtains, doormats...
- ✓ Specialized cleaning of carpet, sofa & upholstery.
- ✓ Mechanized scrubbing of floor.
- ✓ Other things vary from location to location.

Manpower Outsourcing

- Technical
- Non-Technical
- Back/Front Office
- Facility Managers
- Cook cum Caretakers
- Drivers/Helpers

We also have a wing that serves small and medium scale offices and industries by providing them with trained and uniformed workforce in segments like Back & Front Offices, Facility & Floor Managers, Technical, Non-Technical staff, Office Support Staff, Drivers, Caretakers, Cook, Helper etc.

If you are in need of trained staff, but don't wish to go through the rigmarole of placing advertisement, short listing, interviewing, and training individuals to retaining them you can get in touch with us to discuss your manpower requirements.

Taking care of their Statutory Compliances as per State & Central Minimum Wages Act of Government is our responsibility; our Managers personally ensure, check, and upgrade their safety and other parameters from time to time. We also organize welfare, entertainment & motivational programs round the year in Outdoor & in our office premise.

We have an in-house training team comprising experts and professional trainers and instructors who train personnel before sending them to various offices. We also outsource renowned trainers to upgrade skills of our manpower.

Garden Maintenance

- Residential
- Township
- Corporate Office
- Commercial
- Wedding/Event

If you want to maintain your office, home, balcony garden, indoor or outdoor garden on contract basis we can offer you best garden maintenance services for good rates.

We also offer trained Garden Maintenance services to residences, offices, hospitals etc. We have dedicated and trained personnel whom we assign the job to maintain and tend to your plants, trees and shrubs based on monthly, weekly contract that is agreed upon.

Our Garden Maintenance Services include seasonal clean-ups, pruning, bed edging, hedge trimming, mulching, planting, re-potting, plant re-location, and debris removal from time to time. We also maintain smaller gardens, terrace gardens, or pots in balcony. You can choose from our one-time contract to annual weekly, fortnightly, monthly maintained gardening contract.

We also undertake to work personally with our clients to develop and execute landscape plan of property based on individual needs, choice, and preference. We maintain single house to commercial properties like maintaining greenery in factory or industrial premises, corporate landscapes at city junctions, hospitals, hotels, offices etc.

Thanks!
